

## Remarks

The Office Action dated January 12, 2005 has been received and duly noted.

Revised Figures 1 and 2 are enclosed. The specification has been revised to delete the number "90" on page 9.

Claim 1 has been amended to overcome the objection noted by the Examiner. The phrase "query timer" has been changed to "timer". Claim 1 has also been amended to include paragraphs directed to the one or more sensors, the alarm, and one or more function activators as set forth in Claim 15. Claim 1 is allowable for the same reasons that Claim 15 was considered allowable.

Dependent Claims 4, 8 and 12 have been cancelled in view of the amendments to Claim 1. Dependent Claims 5, 6, 9, 10, 11 and 13 have been amended to change their dependency. Method Claims 20-26 have been cancelled.

In view of the above, early allowance of the application is requested.

Respectfully submitted,

  
Loren G. Helmreich  
Reg. No. 29,389
